UNDERSTANDING GENDER

CHAPTER TWO

Gender is at the heart of gender identity but what is it? That's a question with many answers. In reality, gender encompasses many different things, and therefore it doesn't have one definition. People experience gender in different ways. Every day, people learn to discern messages associated with gender. It's like a puzzle to each person to find the meaning that best fits for them. It's likewise important for each person to understand how gender functions in the wider world and how this understanding can help educate others around them.

Socially Formed

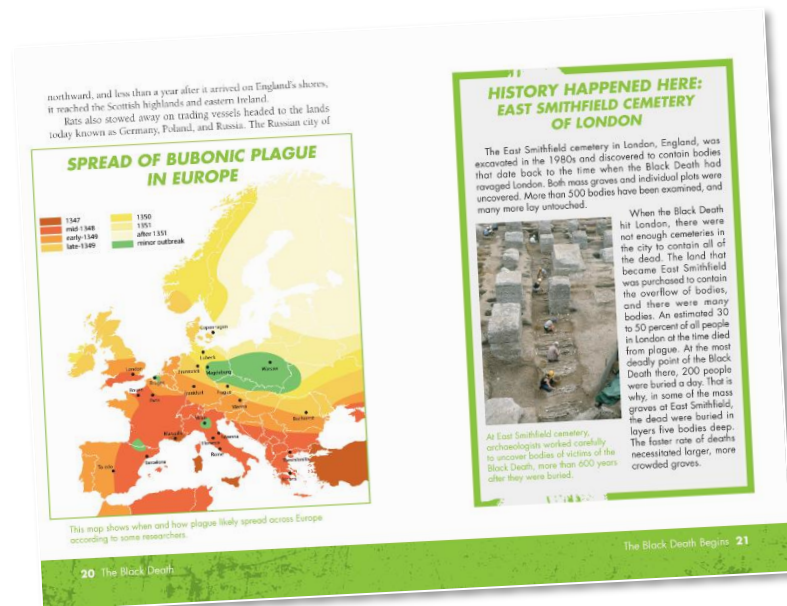

Society has often believed that a person's sex determines many aspects of who they are, such as their appearance, abilities, interests, and behaviors. These aspects—the state of being seen and understood as male, female, a mix of both, or neither—are all lumped under the term "gender." As society often divides sex into a female and male binary, it also divides gender into a female and male binary.

Society determines which behaviors, occupations, skills, interests, and personality traits are "normal" for the female gender and which are "normal" for the male gender. Social norms

◀ The idea of a strict gender binary—male and female—is changing in today's society.

EVERYTHING IT TAKES

Author: Sandi Van

Reading Level: 2-3 • Interest Level: 9-12

Available December 2021

Enslow Catalog Page 19

Lily Landon knows college is the ticket out of her boring small town and her first step to becoming a lawyer like the ones she watches on television. To help her applications stand out, Lily joins Green for Good, her school's environmental club, and meets Fiona, a passionate activist who will do everything it takes to protect the planet. As Lily grows closer to Fiona, she realizes "everything it takes" may mean getting arrested, and a criminal record does not look good on college applications. How can Lily save the Earth without destroying her future?

About the Author

Sandi Van is a writer, counselor, and former special education teacher from Buffalo, New York. She is the author of the young adult verse novels, *Second in Command* and *Listen Up*. Her poetry won recognition in the Elmira *Star-Gazette* and the PennWriters' In Other Words contest. Sandi draws inspiration from former students and admires those around her with the bravery to speak up for what they believe in.

RISING OUT

Author: M. Azmitia

Reading Level: 2-3 • Interest Level: 9-12

Available August 2021

Enslow Catalog Page 21

Anaya knows great things are expected of her—go to college, find a good man, make her mother proud. But going to college means leaving behind her best friend, Eri. Eri is an Afrolatina transgender woman living in a closed-minded world and only Anaya knows her secret. The two decide to take a cross-country road trip, where Eri is finally able to open up about who she is, and Anaya finds out that she might be in love with her best friend.

About the Author

M. Azmitia is a government employee by day and a poet/cat lady by night in New York City. She holds a degree in English and creative writing. Azmitia writes about identity, discovery, and acceptance in marginalized communities in the hopes of starting crucial conversations about diversity. Her first novel, *The Same Blood*, is a Junior Library Guild Gold Standard Selection about Latinidad and mental health in families of color.

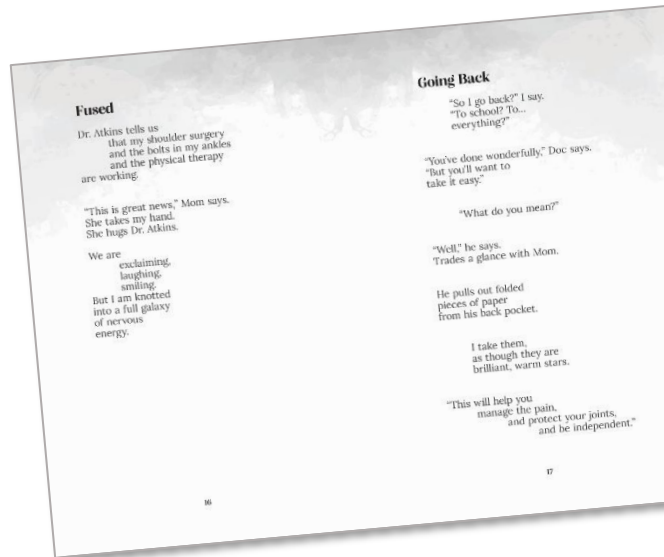

SICK GIRL SECRETS

Author: Anna Russell

Reading Level: 2-3 • Interest Level: 9-12

Available October 2021

Enslow Catalog Page 22

Sometimes in high school, all you want is to be invisible. Being invisible might be the biggest problem of all for Natalie. She has a disability that causes chaos to her body on the inside but leaves her unmarked on the outside. She's learned to hide her pain so well that you would never guess she's not the same Natalie as she was before she got sick. But after having surgery, Natalie must return to school in a wheelchair. Now, Natalie has to decide if the painful consequences of pretending to be healthy are worth keeping the last of her sick girl secrets.

About the Author

Anna Russell is a disabled and chronically ill writer from Buffalo, NY. She holds an MFA in creative writing. Her writing explores topics on chronic illnesses, mental health, and other disabilities to shine a light on these often underrepresented experiences. Her other novel-in-verse, *What If*, was published in 2018.

TOUGH AS LACE

Author: Lexi Bruce

Reading Level: 2-3 • Interest Level: 9-12

Available December 2021

Enslow Catalog Page 24

Lacey “Lace” Stewart knows who she is. She’s the star of her high school’s lacrosse team, she’s confident and brash, and she doesn’t seem to worry about what other people think. Lace tries hard in school, works weekends at a coffee shop, and is counting on a lacrosse scholarship for college. She’s got it all figured out. At least that’s what she shows everyone at school. But underneath her brave face, she’s battling deep-seated anxiety, and she’s one panic attack away from losing it all.

About the Author

Lexi Bruce is the author of *More Than Anger*. She received a degree in English and creative writing from Canisius College in Buffalo, NY. She currently resides in the U.S. Virgin Islands. As a high school student, she struggled with anxiety and wished she could be a star lacrosse player. Now she lives happily (and occasionally anxiously) as a writer/bookseller/greengrocer.

Understanding Coronaviruses

SARS, MERS, and the COVID-19 Pandemic

While many scientists believed influenza would cause the next great pandemic, no one was prepared for the new strain of coronavirus that appeared in 2019. SARS-CoV-2, the virus that causes COVID-19, has infiltrated every country and put global public health and the economy at risk. Health care systems have been pushed to the limit as protective gear, life-saving equipment, tests, and vaccines are scarce and in high demand. From the initial infection in China to the widespread impact on daily life, *Understanding Coronaviruses* examines the intricacies of SARS-CoV-2 and COVID-19 and how they compare to previous viruses and pandemics.

The Call of Antarctica

Exploring and Protecting Earth's Coldest Continent

Antarctica is the coldest, windiest, highest, driest, and most remote part of the world. It's the world's largest polar desert. Antarctica is a true wilderness.

Author Leilani Raashida Henry, daughter of George W. Gibbs, Jr., the first person of African descent to go to Antarctica, recounts her father's expedition while educating readers on the incredible geography, biodiversity, and history of the continent. Using diary entries from Gibbs' expedition, *The Call of Antarctica* takes readers on a journey to the rugged Antarctic landscape to learn its history, its present, and the importance of protecting its future.

How to Be a Difficult Bitch

Claim Your Power, Ditch the Haters, and Feel Good Doing It

In the past, being a “difficult bitch” was bad. Girls weren’t supposed to call people out for their BS, stand up for themselves, or do their own thing. This book embraces the insult with irreverent humor, encouraging readers to be themselves no matter what, including an exploration of the ways this phrase can be interpreted differently among people of different backgrounds. Being a powerhouse is a choice. It’s a lifestyle. It’s a code of ethics. It takes work, a thick skin, and perseverance. In this book, you’ll learn the ins and outs of being a Difficult Bitch, from school to friends to body to life.

A Hot Mess

How the Climate Crisis Is Changing Our World

We already know what climate change is and many of us understand the human causes. But what will climate change do to our world? Who will be affected (spoiler: all of us!) and how will our lives change in the future? Topics include sea levels, extreme weather, drought, animal and plant extinction, and human and animal migration. Drawing on real-life situations and stories, journalist Jeff Fleischer takes an informed, approachable look at how our world will likely change as a result of our actions, including suggestions on what we can still do to slow down these unprecedented effects.

Finding Refuge

Real-Life Immigration Stories from Young People

What is a refugee? This anthology recounts the personal immigration experiences of teenage refugees from around the world, including where they came from, why they left, how they arrived in the United States, and what happened next. These writers know firsthand it means to leave a beloved but unsafe homeland for a distant place where everyone speaks another language. English teacher Victorya Rouse has assembled a collection of real-world stories essential for our times, complete with maps, context, and background on the refugees' home countries. As immigration has catapulted into the current discourse, this poignant collection emphasizes the USA's rich tradition of welcoming people from all over the world.
